

INTERSECTION of ART

AS PROUD MEMBERS OF THE MODESTO COMMUNITY our class is excited to support the arts and bring this project to downtown Modesto. Please consider supporting our LeMo Class of 2017 project today with a sponsorship. Your generosity is tax deductible and will help achieve our goal of increasing awareness and enjoyment of the amazing arts Modesto has to offer.

Sponsors of "INTERSECTION OF ART" will be recognized in the community.

The Modesto Chamber of Commerce Leadership Modesto (LeMo) Class of 2017 invites you to participate in raising awareness of the arts in our community. Our class has selected our project and needs your help! **"INTERSECTION OF ART"** consists of redesigning and painting the Modesto I and 10th Street and I and 11th Street intersections with murals inspired by the arts.

To bring **"INTERSECTION OF ART"** to fruition our LeMo class needs to raise at least \$20,000 in order to enhance the existing crosswalks in front of the Gallo Center for the Arts with a creative and fun alternative. Through a selection process, one local artist will be chosen by our LeMo class to participate in designing and implementing this project.

Donations raised will help:

- Cover the expenses of creating the **"INTERSECTION OF ART"**
- Cover future maintenance costs
- Cover the expenses for the Ribbon Cutting Event

COUNT ME IN AS AN "INTERSECTION OF ART" SPONSOR!

Donations are Tax Deductible.
