

# State of the Region Luncheon 2019

Wednesday, August 21, 2019  
11:30 am - 1:30 pm  
Seasons Event Center  
945 McHenry Avenue  
Modesto, CA 95350

## How can we create a more robust business environment to ensure economic vitality in our region – and how can we do it in a way that works for all residents?

We live in an increasingly complex, shifting business climate and face significant demographic challenges. And yet, Stanislaus County and Modesto have natural assets that can be leveraged. Join us to learn from business experts and economists about the real challenges – and potential opportunities – ahead.

### FEATURING:

**Lenny Mendonca**, the Chief Economic and Business Advisor and Director of the Office of Business and Economic Development for the State of California. Mendonca's assignment is to re-engineer the State's approach to job creation and economic development to increase economic security and to restore the potential of the CA Dream for all Californians. Mendonca is a Turlock native.

**Dr. Jeffrey Michael**, the Director of the Center for Business and Policy Research at the University of the Pacific. The Center produces quarterly economic forecasts for California and several Northern California metro areas in addition to special reports on current business and public policy issues impacting the region.
